AMENDMENT

S I R:

In response to the Office Action dated April 1, 2002, having an extended due date for response of October 1, 2002, please enter the following amendments and remarks.

In the Specification:

Please replace the paragraph at page 3, line 1 to page 4, line 9 in the Background of the Invention section with the following paragraph:

The handling of minute quantities of chemicals and biological materials as required for high throughput screening of drug candidates is a challenge currently facing the pharmaceutical industry. For instance, the lack of suitable liquid handling devices has been cited as a stumbling block to further screen miniaturization. Stylli, H; "An Integrated Approach to High Throughput Screening" in *Handbook for the 1994 International Forum on Advances in Screening Technologies and Data Management* at p. 5. Methods have been
